Subject: availability request: Monday, June 12, 2017 - Will on the Hill

Good afternoon,

Our Artistic Director, Michael Kahn, asked me to send the date for Will on the Hill to you and see if you would be available for a one night performance with 35 Members of Congress while they do Shakespeare cold to support our arts education programs.

About the event:

We invite Members of Congress and other influencers (35 total) to perform Shakespeare cold to benefit our free education programs in D.C. for over 20,000 students and teachers each year. We typically have two professional actors that anchor the show (which is written by playwright Peter Byrne and politically infused by the West Wing Writers Group). Recent participants have been Reg E. Cathey (House of Cards), Samira Wiley (Orange is the New Black) and Ed Gero (TURN: Washington's Spies).

Other past participants: Senator Patrick Leahy, Senator Chris Coons, Congresswoman Carolyn Maloney, Grover Norquist, and Robert Siegel.

We would be honored if you would be a part of the event in 2017.

Please note: As you may know, Michael Kahn has announced his intent to retire and it would mean a great deal to him for you to participate in one of his final Will on the Hill events as AD of STC.

Please do let me know if this date is open (or if it's too soon to tell) when you have a moment.

Best,

NOREEN MAJOR
